## Quick Reference Guide

### 1. What does not constitute “income”?

According to §813.106 of the HUD regulations, annual income is *not* to include the following:

- Income from the employment of children (including foster children) under the age of 18 years;
- Payments received for the care of foster children;
- Lump sum additions to family assets (e.g., inheritances, capital gains, insurance policy death benefit payments, settlement for personal/property losses, medical expense reimbursements);
- Income of a live-in aide;
- Educational scholarships paid directly to a student, educational institution, or a veteran;
- Earned income tax credits;
- Unreliable and non-recurring income (e.g., gifts, employee stock option buyouts, etc. As indicated above in 1.b, overtime pay, commissions, fees, tips and bonuses do not constitute unreliable and non-recurring income as defined here.); and
- The value of food stamps allotments (per §913.106 of the HUD regulations).

### 2. HSBC Savings Account

- Once your enrollment is approved, you will make an appt to open up a dedicated savings account at your local HSBC Bank branch. You will then make 1 consistent deposit each month for a period of 10-18 months. Do not make deposits on the last business day of the month and do not withdrawal funds. You must have a signed purchase contract within 2 yrs. You will expire after 2 years if you do not purchase a home, but can reapply.

### 3. Homebuyer Counseling Program

- All adult household members applying for a mortgage will need to participate in an educational homebuyer counseling program at a local FHLBNY approved agency. This invaluable course will help you understand the entire home buying process!

### 4. Mortgage Financing

- Once you are close to reaching your savings goal, a HSBC Mortgage Consultant will be happy to pre-qualify you for a mortgage loan, so you are ready to make an offer on your first home. The Mortgage Consultant will also help you through the entire mortgage process.

### 5. Important Details

- If you sell your home to a household who is not eligible for the FHC grant before you have been in the property for 5 years, you may need to pay back a portion of the grant. After you have enjoyed your home for 5 years, the grant is forgiven & the lien can be released, by calling HSBC.
- Your entire household income must meet the Income Requirements for your county. If you add a member to your household after you are enrolled, their income must be included.
- Contact our team if you ever have any questions at 1-888-313-7247 or [hsbc.grants@us.hsbc.com](mailto:hsbc.grants@us.hsbc.com)

Applicant Name ("Household")	Co-Applicant Name ("Household")		
Address	City	State	Zip Code +4
FHLBNY Member ("Member") HSBC BANK USA	County	/MSA	/Census Tract

*In order for a household to enroll in the First Home Club and become eligible to receive a grant of up to \$7,500 per household for downpayment and closing cost assistance and up to \$500 to defray home ownership counseling costs towards the purchase of the household's primary residence ("Home"), all applicants agree and understand that they must meet the following terms and conditions:*

- ☐ Meet the definition of a First-Time Homebuyer (As set forth in the First Home Club Program Guidelines).
- ☐ Household must be a resident of the District of the Federal Home Loan Bank of New York ("FHLBNY") at time of enrollment. The FHLBNY's District is New York, New Jersey, Puerto Rico, and the U.S. Virgin Islands.
- ☐ At the time of enrollment into the program, the Household must have an income of 80% or less of the area median income for their current place of residence, adjusted for household size.
- ☐ The time of enrollment is determined at the time the Household opens the dedicated savings account with the Bank. The maximum duration of enrollment is 24 months with one 12 month extension granted at the sole discretion of the FHLBNY for households having fulfilled all FHC requirements.
- ☐ The household acknowledges that its primary borrower(s) are not currently full time matriculated students within six (6) months of enrollment, as evidenced by the occupation on their tax returns, and/or any other applicable documentation.
- ☐ The actual household size is determined by the number of verifiable household members (i.e., individuals related by blood, marriage, or adoption, or unrelated individuals, including all reported dependents) who will occupy the FHC-assisted residence as established at the time of enrollment.
- ☐ In the event that the Household's actual family size changes prior to the time of closing, the FHLBNY reserves the right to re-evaluate the qualifying the Household's size and income(s) retroactively to the time of enrollment.
- ☐ Each responsible household member must complete, within the period of the agreed upon dedicated savings program, a FHLBNY approved homebuyer counseling program offered by the Member.
- ☐ Qualify for and obtain mortgage financing exclusively through the Member for the purchase of a primary residence within the FHLBNY's District (i.e., New York, New Jersey, Puerto Rico or the U.S. Virgin Islands).
- ☐ Execute a legal recordable retention mechanism document, at the time of closing, which ensures that the home remains affordable for a period of 5 years ("Recapture Period"). The FHLBNY may request the return of a portion of the matching grant funds awarded if the house purchased with the assistance of the matching funds is sold to an ineligible household (income exceeds 80% of the area median income, adjusted for family size, in which the house is located). The FHC grant may be fully forgiven if the household sells the home to an eligible household (income not exceeding 80% of the area median income) during the recapture period.

**An affordable schedule of savings must be established, which, if followed, would enable the Household to accumulate sufficient savings to reach an Equity Goal. The FHLBNY will match \$4 for every \$1 saved by the Household for a total match of up to \$7,500. The Household must save in a dedicated savings account with the Member. The deposited funds must remain in the dedicated savings account until the time of the closing. In order to begin saving the qualified Household must agree with the following:**

- To determine the appropriate savings plan, complete the information below:**

**D. Amount of Matching Funds**                      \$ 7500  
 (\$4 for every \$1 saved, maximum \$7,500)                      (C x \$4)
